**It's College Week!** Let's go to college! Higher education should be a priority to each North Star student. A college graduate has more potential to earn more money and become more successful than someone without a college degree. Let's celebrate higher education this week!

### North Star College Night Thursday, April 16, 5-7p *Child care provided for children up to age 8, everyone welcome!*

With a Cap-and-Gown Selfie Studio, prize drawings, and videos of our own North Star students, you simply must join us for College Night! This night will give you the tools to get ready for college! North West Middle School, West High, the University of Utah, Salt Lake Community College, Utah Valley University, and Educational Pathways will be here to clear up your path to college!

**School Community Council needs you to come Thursday, April 16 @ 2:45p!** We are planning elections and we must have community support! Decide how we spend our money, decide our school priorities, be a contributing member of our school community – your voice counts!

**Kindergarten continues through June 5** In past years, the kindergarten school year ended early. This year, the kindergarten class will finish with the rest of the school!
