Welcome back from Spring Break!

Yet another milestone has passed for this school year, now it's time to buckle down and get to work! There are only have 33 days left, so make the most of it! Do your homework, arrive on time and in uniform. Let's be the best navigators we can be!

Testing continues! You've been learning all year, now it's time to show off your knowledge! Preparation is key:

- The night before, eat a healthy dinner with whole grains and get to sleep early
- get up early so you have plenty of time
- eat an energizing breakfast (boiled eggs and berries are great)
- Breathe away your jitters, and break down difficult questions into parts to figure out your answer.
