Celebrate Teacher Appreciation Week and [#ThankATeacher](#) with us! Teachers provide so much to our students—inspiration, motivation and, ultimately, their futures. From April 30 - May 4th, we would like to show our thanks and gratitude by treating them like a V.I.T. – VERY IMPORTANT TEACHER. Teachers change the lives of millions of children every day, and their work and impact extends far beyond the boundaries of the classroom. Join us during **PTA Teacher Appreciation Week** to [#ThankATeacher](#) for all that they deliver to our nation's children.

Screen-Free Week is a nationwide event celebrated by schools, families, and other civic and community groups each year. During Screen-Free Week, millions of children and adults pledge to spend a few days screen-free. Instead of watching TV or playing video games, they tend to read, play, think, create, get physically active, and spend more time with friends and family.

Studies show that children who watch less TV are more likely to read well and to be physically fit. Turning off screens also allows for more family time. Each week, American children spend more time in front of a screen than they do in school! Screen-Free Weeks is a great way to jump-start our kids into more reading, learning, and active play. It's also a lot of fun!
