Letters to Santa Our goal was 700 letters, we have over 1,000! That means we have earned double rewards, over \$2,000 for the Make-A-Wish Foundation! As a thank you, everyone gets popcorn this week! The project is still going, return your cards by December 19. Each letter to Santa earns \$1 for the Make-A-Wish Foundation from Macy's. Let's make a sick child's dreams come true.

Open Enrollment Salt Lake City School District offers open enrollment. This means that if you live in the district boundaries, you may apply to attend any school within those boundaries. Here are some important dates:

December 1, 2014 – February 20, 2015 Apply in person for Early Open Enrollment in Student Services Department. The \$5 processing fee will be waived for applicants with financial need.

March 13, 2015 Principals notify parents of currently enrolled students who will not be permitted continued enrollment for the coming year

March 31, 2015 Principals notify parents in writing of Early Open Enrollment Application status with acceptance/rejection letters

April 1, 2015 Students whose applications are rejected during the Early Open Enrollment may reapply for a Late Enrollment

Questar goes the extra mile for North Star Not only do Questar volunteers come to North Star every day to read with our students, they also give our students all kinds of gifts throughout the year. Recently, Questar issued a Box Tops challenge – turn in your Box Tops 50 at a time to be entered in a drawing for great prizes (including a scooter, a soccer ball, or even cash)! Here at North Star we are thankful for Questar.

East High and West High students help North Star students Did you know that volunteers from East High School and West High School come to North Star to help our students with reading? We are so fortunate and grateful for the high school students who care so much about our North Star students.
