1545 N. Morton Drive Salt Lake City, Utah 84116 (801) 578-8448

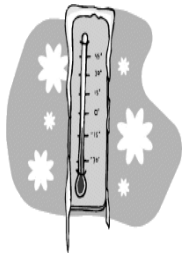

Your School Needs You! We are seeking individuals who may be interested in becoming our next PTA President, Vice President, Reflections Chair, School Community Council Chairperson, and Reflections Chair for 2018-2019. Please contact the school if you would be interested in helping our school community!

Snow safety

Remember to stay off the ice and no throwing snow balls!

Baby It's Cold Outside! Students must come to school dressed for winter weather. Regardless of air quality or winter storms, students need to wear the appropriate outer clothing and shoes to remain healthy during this season.

As we approach the holiday season we would like to express our gratitude for the amazing young people we get to teach every day. We encourage you to take care of yourselves over the break. Parents, here are some suggestions:

Eat healthy, enjoy family, get lots of rest, clean out your homework folder & backpack, read every day, put limits on screen time, exercise, check for head lice (It's hat season!) Enjoy your time off and have a safe and happy New Year!

Science Fair Information! Registration for Science Fair is now closed. Students should be working on background research, designing their experiment or engineering design, and begin testing this month. Remember to take pictures of the experimentation as part of their observational data. Having a Science notebook is required and it is best to have a composition notebook where the pages don't tear out. If students need help finding a notebook, supplies or need assistance setting up their experiment, please contact Mrs. Lane in Room 36.

Remember that testing on others (human or animal) require additional forms and signatures and do not grow any mold or bacteria at home. The Project Guide on www.sciencebuddies.org has step by step help for students working on projects. In January, students will analyze their data and begin working on their presentation boards, which are provided by the Salt Lake Education Foundation. Mrs. Lane will hand them out when students are ready to put it all together.

Winter Break 12/25 – 01/05

Enjoy your time off and have a safe and happy New Year!
We will see you at 7:55am on Monday, January 8th!

12/18/2017

Upcoming Events
