

Stargazer Weekly News

Principal: Nathan Elkins Assistant Principal: Adrienne Lobato
1545 N. Morton Drive Salt Lake City, Utah 84116 (801) 578-8448

The WOW Program is on! Many classes have already earned prizes and rewards for being on time and being in uniform. Make it a point to wear uniform clothes to school, and arrive by 7:55a for class to start *promptly* at 8:00a.

Student attendance and tardiness are recorded at the school and reported to the district daily. Tardiness due to doctor and dentist appointments, with a note from the doctor, will be excused. Unacceptable reasons for being late include but are not limited to: baby-sitting, sleeping in, missing the bus, running errands, lack of transportation, visiting relatives, trouble with alarm clock, a bad morning, chores at home, etc. www.slcschools.org > Families & Students > Elementary Handbook

Salt Lake City School District will be administering school climate surveys for our school. The purpose is to gather stakeholder input about teachers, principals, and schools. All parents/guardians and students will be invited to participate. Responses are anonymous and no personal information will be collected. Results will be shared with teachers and

administrators in order to help improve schools. The survey is short, taking less than 10 minutes to complete.

Please review the documentation provided during SEP's on how to access the Survey. Computers are available for use at the school during regular school hours. Need help logging in? Please let the office know, we are happy to help!

Congratulations to all our Science Fair Winners who represented North Star at the District Science Fair!

- Kalisoni Malu – *Effect of Biofuels*
- Isaac Takenaka – *How do nose cones affect flight?*
- Maverick Smith – *The effect of beverages on teeth*
