**This is the last Stargazer edition for the 2014-15 school year!** Congratulations, North Star Navigators, you have completed another year of your education. Thanks to all the Administration, Faculty, Staff, and Volunteers who made this year a success! We hope everyone has a great summer, and we can't wait to see you again

during registration in fall.

**For the Dearly Promoted** We wish you the best of luck in middle school! Come back and visit anytime, and remember – once a navigator always a navigator! We hope you use your exceptional skills to navigate the future of your dreams.

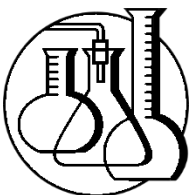

**Yearbooks** Buy your yearbook at the office for \$15!

**A word on classroom placement** Each year, teachers deliberate carefully to determine the best, most successful environment for your student. Consequently, it is no simple task to change assigned classrooms. Formal written requests may be submitted to the Student Services Council, but only after the 2015-16 school year has already begun.

**Report Cards and Registration for 2015-16** Look for your report card on Friday, June 5. Inside your report card you will also find:

- Instructions on how to register for the 2015-16 school year (in fall)
- Instructions on how to register for free and reduced lunch (after Wednesday, July 15)
- Your student's classroom placement for next year

**It's never too early to begin your Science Fair project!** Over the summer, check out some great science at [www.sciencebuddies.org](http://www.sciencebuddies.org) and look forward the workshops that start in the fall!
