Your Opinion Matters! The Salt Lake City School District will be administering school climate surveys for our school. The purpose is to gather stakeholder input about teachers, principals, and schools. All parents/guardians and students will be invited to participate. Responses are anonymous and no personal information will be collected. Results will be shared with teachers and administrators in order to help improve schools. The survey is short, taking less than 10 minutes to complete.

Please review the documentation that will be provided during SEP's on how to access the Survey. Computers are available for use at the school during regular school hours.

No Screens Week 4/30-5/06, Turn off your mind-numbing video games and televisions and devote your time to reading! Check your backpack for your signature slip, have your parents sign for each day that you turn off your screens, turn in your signature slip on Monday, and earn a book! Remember, reading and learning apps are okay to use this week because they don't numb your mind!
