Please return Uniform Loans! Has your student ever come home wearing uniform clothes you don't recognize? The office loans a change of clothes to our students whenever they spill their lunch, fall in mud, or have a bathroom accident or a nose bleed. Now we are running out! Please wash and return any loaned items you have right away. Consider keeping an extra set of clothes in your student's bag. Also, feel free to donate any extra uniforms to the office!

November is National Native American Heritage Month -Bears Ears

This pair of buttes is located in San Juan County in southeastern Utah. The Bears Ears Inter-Tribal Coalition wants to make this area a National Monument. It has special cultural, spiritual, and

historical significance to Native Americans. Tribal leaders have always used this area for rituals and to gather medicinal herbs. Over time, the region has been overwhelmed by looting, threats of mining, grave-robbing, and general disregard for its significance to Native Americans.

Paraphrased from Ruby Mellon, Huffington Post 10/16/2015

What do you think? Should President Obama designate this area a National Monument? Why do you feel this way?
