Family Math Night is Tuesday at 5p! It's time for fun activities, inexpensive dinner, and family entertainment! We will be giving away all kinds of prizes, including two complete turkey dinners just in time for Thanksgiving (thanks to Ms. Hawthorn and Walmart). One lucky volunteer will win two roundtrip tickets to wherever Jet Blue flies (thanks to Mr. Gonzales)!

Reflections Arts Program – It's Parent Supported! Entries due Tuesday, December 2:

The world would be a better place if...

Thousands of students will reflect on the theme and create original works of art in the categories of dance choreography, film production, music composition, literature, photography and visual arts. Ask your child how to enter today!

Every student counts! We hope to improve our students' SAGE scores by 20% this year. It's a big goal, but it's attainable. We encourage you to engage in your student's education even more: talk with teachers, follow up on homework, read together every day, and use Powerschool. Each and every student's growth is important to us, and we value your dedication to education at home.

Just when we thought QUESTAR couldn't get any more generous, they start a Box Top drawing! Yes, our business partner and dedicated reading volunteer group will be giving away prizes like scooters and soccer balls to North Star students who collect Box Tops. **Collect 50 Box Tops for one entry into the give-away.** *Thanks Questar!*
