Multicultural Youth Leadership Summit (MYLS)

honors Mr. Ghaffari Our Utah teacher of the year addressed the MYLS last month, after being introduced by Utah Governor Gary Herbert! He also addressed our own students last week saying first that he shares his honor with all the North Star teachers, and second, that he truly loves our North Star students.

Keep your green ribbons! Students who keep their green ribbons on their back packs all year will get a big prize (better than candy) at the end of the year. However, Road Safety is more than keeping a green ribbon. Too often, North Star students are forgetting the safe walking routes to and from school. Cross at the cross walks and be careful please!

It's National Native American Heritage Month

Every year, our Nation pauses to reflect on the profound ways the First Americans have shaped our country's character and culture. The first stewards of our environment, early voices for the values that define our Nation, and models of government to our Founding Fathers -- American Indians and Alaska Natives helped build the very fabric of America. Today, their spirit and many contributions continue to enrich our communities and strengthen our country. During National Native American Heritage Month, we honor their legacy, and we recommit to strengthening our nation-to-nation partnerships.
