Food Bank truck comes to North Star – TODAY

Food bank groceries are now provided by Dominion. Items are only for North Star students. In order to be served, a North Star student must be present.

Illness at School

Parents, as you may have heard, there have been a few confirmed cases of Norovirus in the Salt Lake City School District. At this time, we have not had any reports of the virus at our school. The best defense is prevention! Please help us by having your children wash their hands when they get home from school, and be vigilant about washing hands regularly and especially before meals.

Also, keep your children home if they are feeling ill and for 48 hours after symptoms stop. Please notify the office if your student presents any of the symptoms listed in the attached article. You can learn more about Norovirus, including videos about properly disinfecting, at cdc.gov/norovirus.

If a child becomes ill at school, every effort will be made to contact the parents who should be available to check the child out at the office and take her/him home. It is very distressing for the sick child, when the school is not able to contact a person responsible for the child. Please notify the office of any updated emergency numbers. An ill child may not walk home alone. We request that you, or someone you designate, pick up your child.

STUDENT-EDUCATOR-PARENT Conferences are this week!

Remember to schedule a meeting and be on time to learn about your student's progress. It's the best way for parents to stay in touch!
