King, Jr. Day
- Monday 02/11, District Food Bank

**What is Title I?** Title I is a federal support program that helps socioeconomically challenged neighborhoods receive top quality education. Title I requires community involvement because we know it's crucial to have a working partnership for our students to succeed.

As a Title I school we work with parents and guardians to understand the school system. We share information about state education standards, the materials and programs we use to teach to these standards, and the tests we use to show how students are progressing. We inform you about your child's academic progress throughout the year.

We also work with parents and guardians to enhance support for their children's academic success at home. We offer materials and ideas that parents and guardians might use. As parents and guardians you have the right to request specifics about the qualifications of your child's teachers. If your child's teacher is not considered Highly Qualified, we will notify you.

Parents are involved in making school decisions, writing school plans, and assessing the effectiveness of school programs. Our school has a variety of formal ways to develop the home/school partnership such as Back to School Night, Family Nights, Student-Educator-Parent (SEP) Conferences, School Community Council (SCC), Parent Teacher Association (PTA), and parent volunteers, school newsletters, and more. Please know that we also value the informal yet important ways we work together through phone calls, emails, and visiting before and after school. We look forward to working with you this year!

### PTA T-shirt Orders due 10/01!

Order forms are available in the office.

T-shirts	Long-Sleeve Tees	Sweatshirts	Hoodies	Jackets
\$6	\$8	\$9	\$15	\$20

### Illness

Please follow these guidelines if your child is ill:

- Take time to notify the school.
- Before sending your child to school, be sure that s/he is well enough to be in school.
- Do not assume your child will get better at school.
- Understand that we have no provisions to care for sick children.
- Understand that our teachers are entitled to a duty-free lunch and cannot attend to children whose parents have requested they be kept inside. Only a physician or health care provider can request a temporary "staying in" from recess, unless it is mandated in the student's Health Care Plan.

**Parents of English language learners are invited to participate in a Focus Group** at Edison Elementary (466 S. Cheyenne St.) on Wednesday, September 19<sup>th</sup> from 3:30-4:30pm. The purpose of this visit is to help us gain a greater understanding of the English Language Development services provided in our schools.

Please contact the office at (801) 578-8448 by Friday, September 11<sup>th</sup> and let us know if you can attend.
