Green Ribbon Week Last week KSL News reported on Road Safety at North Star Elementary! We need to be more concerned with the safety of our students. Cross at the cross walk, drive slowly, and look for cars and pedestrians wherever you go!

Family Night was a success! Thanks to all the hard working volunteers, administration, faculty, and staff who worked so hard to make Literacy Night so much fun! Also, thanks to *SUPERSAVER*, *LOFT HOUSE COOKIES*, and *OLIVE GARDEN* for your generous donations of food and prizes for the event.

The WOW Program is on! Many classes have already earned prizes and rewards for being on time and being in uniform. Don't be the student who keeps your class from earning popcorn parties, extra P.E. time, game shows, or even a class trip! Make it a point to wear uniform clothes to school, and to be to school by 7:55a. Come at 7:30 for breakfast in the cafeteria if you tend to run late. It's worth it!
