### Road to Success Reading Program Do you read every day?

Reading is one of the most important tools a student has. The more you read, the more you succeed. Read every day and report to your teacher. The more you read, the more chances you have to win one of four grand prizes! Would you like a bike? A scooter? An mp3 player? Read!

**Operation School Bell** For parents who have been suffering financial difficulties, Operation School Bell is here to help. Contact North Star Elementary to apply for a free set of clothing, uniforms, and warm winter wear for your North Star student. This humanitarian service is limited. Please call as soon as possible, and only if you need financial relief.
