Illness at School

If a child becomes ill at school, every effort will be made to contact the parents who should be available to check the child out at the office and take her/him home. It is very distressing for the sick child, when the school is not able to contact a person responsible for the child. **Please notify the office of any updated emergency numbers.** An ill child may not walk home alone. We request that you, or someone you designate, pick up your child.
